Behaviour

Whilst the running of the centre is the responsibility of the Resident Warden, the nominated leader has overall responsibility for his/ her party's behaviour.

It is a requirement that all those who use The Old School Lodge act in a reasonable and proper manner with regard to their personal behaviour, the care of the facilities, the conduct of activities, the duty of care, risk assessment and health and safety issues. Users will be invoiced for any damage caused by them during their stay. Notification of any damage will be sent 72 hours of their departure.

Child Protection Measures

It is the policy of the Scout Association to safeguard the welfare of all members and users of its premises by protecting them from physical, sexual and emotional harm. To comply with these responsibilities, it is a condition of booking that all the Adult Leaders within their party have been deemed fit to work with young people by the booking organisation concerned.

Activities

The Centre does not provide or organise leaders or instructors, however we will be happy to help with information on where to go for advice on activities. Those who conduct activities are responsible for ensuring that they have the appropriate training and qualifications to do so relevant to their own organisation. The Centre accepts no responsibility for such matters.

The Old School Lodge is a designated non-smoking building and is equipped with smoke detectors. Specific smoking areas have been designated outside.
